I'm less than nothing and holding my nerves  
Exposed and lonely, addiction draws me near  
Designed to crush me a six year haze  
As the substance lets me down

'Cause it's not real and that's why  
It's how I always want to feel  
So let's die before the secrets get revealed

I'm falling over from scratches built through time  
For timeless mistakes, my memories dissolve  
And all I know are these scars

'Cause it's not real and that's why  
It's how I always want to feel  
So let's die, before the secrets get revealed

I've tried but nothing can ever appeal  
And if you don't mind I'd like to throw it all away  
'Cause I've been down that road, the sober soldier  
I doubt I'll make it home

So get me away from here before I fall apart  
'Cause it's easy to do

And it feels and it seems true  
But it's not real and that's why  
Its how I always want to feel  
So let's die, before the secret gets revealed

I've tried but nothing ever can appeal  
And if you don't mind I'd like to throw it all away
