It seems like you've always known exactly what to say,
meanwhile I never know what to do with myself
When I get this way I'm walking on take comfort in all
the nights we've shared,
I guess I'm walking on
Because there's nothing left inside of me that cares,
I'm sorry that I can't deny, the feelings that I've put
aside

I've wasted my time for so long,
so tell how could this go up in flames when I've been
awaiting
The return of blood,
it seems like you've always known things would turn out
this way,
sometimes you never know
What can happen on any given day,
it seems like you've always known things would turn out
this way
