I got to let you know  
that I realized  
that you just patronized my soul  
and I just want you to go  
'cause the chapter of you hurting me is written down

the past was fine  
amazing moments in my mind  
but now i know  
that both of us can't turn back time

In my dreams  
I'm chilling in the sun  
singing my new song

It's a feeling  
I'm with myself again  
and no more on the run  
last run myself

I try to grow on my pain  
and I don't want to change it  
I don't want to be alone  
and I just want you to say  
that you love me till the time has come to say 'good  
bye'

The past was fine  
amazing moments in my mind  
but now I know  
that both of us can't turn back time

In my dreams  
I'm chilling in the sun  
singing my new song

It's a feeling  
I'm with myself again  
and no more on the run  
last run myself

Feeling  
Feeling

In my dreams  
I'm chilling in the sun  
Singing my new song

It's a feeling  
I'm with myself again  
and no more on the run

In my dreams  
I'm chilling in the sun  
Singing my new song

It's a feeling  
I'm with my self again  
and no more on the run  
last run myself
