I thought, I had a friend in you.
I thought, you were my one and only.
The time, that we were going through,
Was more, than I've been able to dream.

I should have known better,
I should have done everthing to
Let - you - go!

You - won't catch me, when I'm falling,
Won't hear me, when I'm calling.
Your are the one, who never ever gets a second
chance.
I - believe in what I'm feeling,
But when my heart is bleeding,
I know for sure you'll never ever tell me lies again.

You pushed me out, I had no chance,
To hide the spell, that I was under.
I'm fed up with my self-defence.
Your arrogance, it makes me wonder.

I wish, you would go now.
I wish, you would pack your things and
Go - AWAY!

You - won't catch me, when I'm falling,
Won't hear me, when I'm calling.
Your are the one, who never ever gets a second
chance.
I - believe in what I'm feeling,
But when my heart is bleeding,
I know for sure you'll never ever tell me lies again.
Never ever tell me lies again.

Don't - tell - me - lies!
Don't - tell - me - lies!

I wish, you would go now.
I wish, you would pack your things and
Go away!

You - won't catch me, when I'm falling,
Won't hear me, when I'm calling.
You are the one, who never ever gets a second
chance.
I - believe in what I'm feeling,
But when my heart is bleeding,
I know for sure you'll never ever tell me lies again.
Never ever tell me lies again.
