"So Why"

I need your love
I need you fools
I'll be there if you need me

Two are more than one
Two are not alone
Please come with me I need you so

But you will never know there's no way for me and you

So why ... won't you be my friend?
So why ... can't you understand?
That I ... need your helping hand!
To find ... me in you again.

Hey you!
Please go inside
Your little mind
And try to find the way "outside!!!"
I'll be the key
So just use me
And tell me all that you can see

But you will never know there's no way for me and you

So why ... won't you be my friend?
So why ... can't you understand?
That I ... need your helping hand!
To find ... me in you again.

Why?
So why?

But you will never know there's no way for me and you

So why ... won't you be my friend?
So why ... can't you understand?
That I ... need your helping hand!
To find ... me in you again.

Why?
