I have my ears to
Hear what people say
I have my eyes to
See the suffering
I have a brain to
Use it every day
But who are you?

I have a nose to
Smell the sweetest things
I have my feelings
To feel the summer wind
I have my own taste
To decide what i would like
But who are you?

(Chorus)
I'm just the weatherman
I make the sun and rain and the colourful rainbow
I am a lucky man
I can freeze my pain if I feel the way.

I have my own way
To go against your will
I'm able to dream
Of mountains full of cream
I shall have my wish
That all my dreams come true
But who are you?

(2x Chorus)

I have my ears to
Hear what people say
I have my eyes to
See the suffering
I have a brain to
Use it every day
But who are you?

(2x Chorus)

(2x)

I'm just the weatherman (i'm just the weatherman)

I make the sun and rain and the colourful rainbow

I am a lucky man (i'm just the weatherman)

I can freeze my pain if I feel the way.
