Twenty one, feeling down  
I tell you nothing with a thousand words and I weaker  
get, with every step  
I waste my money on compact disc's and staly fish  
I can't remember the last time I did something that  
made  
me feel alright longer then a few hours  
if only had the strength to made some muffins then I  
swear that I would share them with you now

Am I odd or am I not?  
that's a question that I spend time analysing  
I'm so soft, but still I'm not  
living up to what people want me to be  
cause I'm busy with me, my self and I  
can't be understood by someone I don't know to  
well  
so I'm shutting out the whole world just to play  
Nintendo  
I've got these new games but I'm afraid you can't  
join me

...these last few years I've been strugglin'  
and I'm tired of keeping low profile  
so now it's time to show that I'm alive...

I'm gonna change my life, plans, Vans start to dance  
change my thoughts, sox, moves, even change my pro  
fighter Q
