Sell your time to the highest bidders
Take a number, take a seat.

Patience got us growing bigger
Can't compare, can't compete.

Complete, compact
Built-in enemy.
Get it while you can
Deal of the century.

Better to assist you
Stay on hold sir, stay on hold.
Don't hang up sir
Lest you be told sir, lest you be told.

Sell your time to the highest bidders
Take a number, take a seat.
Patiently growing bitter
Can't compare, can't compete
With a guaranty
From a company
That's no company.
