Mercy moon, she never kiss and tell  
Though she knows the secret,  
The secret of the silent swell  
Mercy moon, she never kiss and tell  
Though she knows the secret of the swell  
And how the deal is done

Oh won't you listen to my prayer, won't you listen to my  
prayer?  
Merciful one  
Oh won't you listen to my prayer, for travellers lost in  
the rising sun?

Mercy moon, oh she knows how the deal is done  
And when you've come too far on the rise and fall  
To be too far gone  
Mercy moon, oh she knows how the deal is done  
And when you've come too far on the rise and fall  
Not to make it home

Oh won't you listen to my prayer, won't you listen to my  
prayer?  
Merciful one  
Oh won't you listen to my prayer, for travellers lost in  
the rising sun?

Cos she's a friend, she's a friend to a woman  
And lord knows she needs one, lord knows she needs  
one  
Mercy moon  
Mercy moon, pour down your mercy on this soul  
The one who knows the ebb the flow, has guided in us  
all  
Mercy moon, pour down your mercy on this soul  
The one who knows the reap the sew, the secret, the  
secret of the fall

Oh won't you listen to my prayer, won't you listen to my  
prayer?  
Merciful one  
Oh won't you listen to my prayer, for travellers lost in

the rising sun?

Lost in the rising sun, for travellers lost in the rising  
sun?
