Only you, only you, only you
In the black night
Only you
Can turn shadows
Into light
Only you.

Many times, many times, many times
I've been blind
I've been blind
But I see now
My familiar
Oh I've been blind.

Deep as wells, deep as wells, deep as wells
Runs my love
In these wells
I place my wishes
Wishes for you
Deep as wells.

Only you, only you, only you
In the black night
Only you
Can turn shadows
Into light
Only you.
