It's been seven hours and fifteen days
since you took your love away
I go out every night and sleep all day
since you took your love away

Since you've been gone I can do whatever I want
I could see whomever I choose
I could eat my dinner in a fancy restaurant
but nothing, I said nothing can take away these blues

Cause nothing compares
nothing compares to you

It's been so lonely without you here
like a bird without a song
Nothing can stop these lonely tears from falling
tell me, baby, where did I go wrong

I could put my arms around every boy I see
they'd only remind me of you
I went to the doctor and guess what he told me, guess
what he told me
he said "girl you better try to have fun no matter what
you do"
but he's a fool

'Cause nothing compares
nothing compares to you

All the flowers that you planted mother
in the backyard
all died when you went away

I know that living with you baby was sometimes hard
but I'm willing to give it another try

nothing compares
nothing compares to you
nothing compares
nothing compares to you
nothing compares
nothing compares to you
