We are the old  
We've got arthritis  
Our gums are weak  
From gingavitus  
We are the old  
We've got arthritis  
We are the one who wear bifocals  
And have bersitus  
There are people younger  
But we need another call  
We really need the money  
Our accountants took it all  
We sing to you  
Those who have money  
Once we was cool  
But now we just dress funey  
We need your help  
So please, please dig deep  
Don't call after ten  
Cuz we'll be asleep  
We have medicare  
And anti-gas pills  
But without your help  
We can't pay our aloemoney bills  
We are the old  
We all have arthritis  
Once we were boss  
Now golf excites us  
So write a cheque (a really big one)  
For our December  
There's one more verse  
But we can't remember  
Taken from "Married with Children"
