It's not unusual to be loved by anyone.
It's not unusual to have fun with anyone.
But when I see you hanging about with anyone.
It's not unusual to see me cry, I wanna die.

It's not unusual to go out at anytime,
but when I see you out and about it's such a crime.
If you should ever wanna be loved by anyone, it's not
unusual.

It happens everyday, no matter what you say,
You'll find it happens all the time.
Love will never do what you want it to,
Why can't this crazy love be mine?

It's not unusual to be mad with anyone.
It's not unusual to be sad with anyone.
But if I ever find that you've changed at anytime.
It's not unusual to find that I'm in love with you.
