I've got the world up my ass

And I'm gonna move fast

Be the first, won't be the last

I've got the world up my ass

Society is burning me up

Take a bite, spit it out

Take their rules

Rip 'em up, tear them down

Twisted mind, withered brain

You know, I'm going insane

I just tell them, get back, when they tell me how to act

I've got the world up my ass

You know, I've got the world up my ass

Society is burning me up

Take a bite, spit it out

Take their rules

Rip 'em up, tear them down

You know, I've got the world up my ass

You know, I've got the world up my ass

Society is burning me up

Take a bite, spit it out

Take their rules

Rip 'em up, tear them down
