Ooh yeah

Oh-oh, yeah-yeah-yeah-eh

Oh-oh, yeah-yeah-yeah-eh

I trusted her with him  
That's where the story begins  
We talked of boys and men  
They all came second then

I made a sacrifice  
And trusted all her advice  
There was no need to fight  
Things were so simple then

One by one she broke her promises  
I guess she thought that she could take my man  
I just gotta let her know  
His love is for me, and that's the way the story goes

She was a friend of mine  
Or so I thought at the time  
How could I be so blind to trust her with my man  
She fooled me with her eyes  
And hid behind a disguise  
I've read between the lines and now I understand

Oh-oh, yeah-yeah-yeah-eh  
Oh-oh, yeah-yeah-yeah-eh

She said she'd make it right  
And talk to him late at night  
Told me to take it slow  
But little did I know

She had a master plan  
I had my head in the sand  
But now it's plain to see  
She chose him over me

Every day she's smiling in my face

But every night she's trying to take my place  
She said she'd always be right there for me  
But now I can see the kind of help I just don't need

She was a friend of mine  
Or so I thought at the time  
How could I be so blind to trust her with my man (to  
trust her with my man)  
She fooled me with her eyes  
And hid behind a disguise  
I've read between the lines and now I understand (and  
now I understand)

Oh-oh, yeah-yeah-yeah-eh  
(And now I understand)  
Oh-oh, yeah-yeah-yeah-eh  
(And now I understand)  
Oh-oh, yeah-yeah-yeah-eh  
(She was a friend of mine)  
Oh-oh, yeah-yeah-yeah-eh  
(How could I be so blind)

Never thought friends could be so cruel  
I never thought you could break all the rules  
Now it's you who looks like a fool  
Cos what goes around, comes around

Ooh-yeah

She was a friend of mine (she was a friend of mine)  
Or so I thought at the time  
How could I be so blind to trust her with my man (to  
trust her with my man)  
She fooled me with her eyes  
And hid behind a disguise  
I've read between the lines and now I understand (and  
now I understand)

Oh-oh, yeah-yeah-yeah-eh  
(Yeah-yeah-eh)  
Oh-oh, yeah-yeah-yeah-eh

She was a friend of mine (she was a friend of mine)  
Or so I thought at the time  
How could I be so blind to trust her with my man  
She fooled me with her eyes (fooled me with her eyes)  
And hid behind a disguise  
I've read between the lines and now I understand (now I  
understand)

And now I understand

Now I understand  
And now I understand
