Children be still,  
Children,  
Lace curtains drawn,  
For self respect  
Ripped down and torn  
Now the neighbours will never forget  
Don't let them forget  
Time gets hard, men get harder still  
Still  
A crack in the pane  
The gab between  
Those who remain  
And those who have been  
I am cracked, I'm scratched  
But you were just one thing  
One thing stays the same

Time gets hard, men get harder still  
I will be still  
I will be still  
Time gets hard, men get harder still  
Harder still

Children  
Time gets hard, men get harder still

Birthday present  
From the rag and bone shop  
A heart that works too well  
A heart that won't stop  
Beating  
Though sometimes I wish it would stop  
Stop

Time gets hard, men get harder still  
I will be still  
Time gets hard, men get harder still  
Harder still  
Be still  
Harder still  
Time gets hard, men get harder still  
Harder still

Time gets hard, men get harder still  
Harder still  
Children  
Harder  
Still  
Children  
Harder  
Still  
I will be still
