The wretched desert takes its form, the jackal proud  
and tight  
In search of you, I feel my way, though the slowest  
heaving night  
Whatever fear invents, I swear it make no sense  
I reach out through the border fence  
Come down, come talk to me

In the swirling, curling storm of desire unuttered words  
hold fast  
With reptile tongue, the lightning lashes towers built to  
last  
Darkness creeps in like a thief and offers no relief  
Why are you shaking like a leaf  
Come on, come talk to me

Ah please talk to me  
Won't you please talk to me  
We can unlock this misery  
Come on, come talk to me  
I did not come to steal  
This all is so unreal  
Can't you show me how you feel now  
Come on, come talk to me  
Come talk to me  
Come talk to me

The earthly power sucks shadowed milk from sleepy  
tears undone  
From nipples skin as smooth as silk the bugles blown  
as one  
You lie there with your eyes half closed like there's no-  
one there at all  
There's a tension pulling on your face  
Come on, come talk to me

Won't you please talk to me  
If you'd just talk to me  
Unblock this misery  
If you'd only talk to me  
Don't you ever change your mind  
Now your future's so defined

And you act so deaf and blind  
Come on, come talk to me  
Come talk to me  
Come talk to me

I can imagine the moment  
Breaking out through the silence  
All the things that we both might say  
And the heart it will not be denied  
'Til we're both on the same damn side  
All the barriers blown away

I said please talk to me  
Won't you please come talk to me  
Just like it used to be  
Come on, come talk to me  
I did not come to steal  
This all is so unreal  
Can you show me how you feel now  
Come on, come talk to me  
Come talk to me  
Come talk to me

I said please talk to me  
If you'd just talk to me  
Unblock this misery  
If you'd only talk to me  
Don't you ever change your mind  
Now your future's so defined  
And you act so deaf and blind  
Come on, come talk to me  
Come talk to me  
Come talk to me
