The first time I saw you
I loved you
I loved you

Your face blue
Your eyes too
Your mouth too
Your mouth too

When I heard you
I wanted to
Give birth to you
Give birth to you

I made love to you
I made love to you
The great goddess
Has us blessed

The last time I saw you
I fought with you
I fought with you

I didn't mean to
I didn't mean to
Oh, say you'll see me
Let me say sorry

The next time I see you
I'll love you
I'll be sweet to you

I'll take you to
My healing room
Oh, we both know
How loneliness goes

Every time I see you
I want you
I want you

The more I do

You hate me to
But the great goddess
Has us blessed
