Fly me to the moon  
And let me play  
among the stars  
Let me see what  
spring is like  
on Jupiter and Mars  
In other words,  
hold my hands  
In other words,  
darling kiss me

Fill my heart with song  
And let me sing for ever more  
You are all I long for  
All I worship and adore  
In other words please be true  
In other words  
Fill my heart with song  
And let me sing for ever more  
You are all I long for  
All I worship and adore  
In other words please be true  
In other words, I love you  
I love you  
I love you  
I love you  
I love you  
I love you  
I love you  
love you
