I don't know how to love him  
What to do, how to move him  
I've been changed, yes, really changed  
In these past few days when I've seen myself  
I seem like someone else

And I don't know how to take this  
I don't see why he moves me  
He's a man, he's just a man  
And I've had so many men before  
In very many ways he's just one more

Should I bring him down?  
Should I scream and shout?  
Should I speak of love?  
Let my feelings out  
I never thought I'd come to this  
What's it all about?

Yet, if he said he loved me  
I'd be lost, I'd be frightened  
I couldn't cope, just couldn't cope  
I'd turn my head, I'd back away  
I wouldn't want to know, he scares me so

Should I bring him down?  
Should I scream and shout?  
Should I speak of love?  
Let my feelings out  
I never thought I'd come to this  
What's it all about?

He's a man, he's just a man  
And I've had so many men before  
In very many ways, he's just one more
