I don't know how to love him
What to do, how to move him
I've been changed, yes really changed
In these past few days
When I've seen myself
I seem like someone else

And I don't know how to take this
I don't see why he moves me
He's a man, he's just a man
And I've had so many men before
In very many ways
He's just one more

Should I bring him down
Should I scream and shout
Should I speak of love
Let my feelings out
I never thought I'd come to this
What's it all about

Yet, if he said he loved me
I'd be lost, I'd be frightened
I couldn't cope, just couldn't cope
I'd turn my head, I'd back away
I wouldn't want to know
He scares me so

Should I bring him down
Should I scream and shout
Should I speak of love
Let my feelings out
I never thought I'd come to this
What's it all about

He's a man, he's just a man
And I've had so many men before
In very many ways
He's just one more
