Love letters straight
From your heart
Keep us so near
While apart

I'm not alone
In the night
When I can have all the love
That you write

I memorize
Every line
And I kiss the name
That you sign

And darling then, I read again
Right from the start
Love letters straight
From your heart

I memorize
Every line
And I kiss the name
That you sign

And darling then, I read again
Right from the start
Love letters straight
From your heart
