My darling child
My darling baby
My darling child
You gave life to me

My darling child
My darling baby
My darling child
You came and saved me

My darling child
My darling baby
My darling child
God gave you to me

Me little ninja
My little dancer
Me little street fighter
Me little chancier
Me lovely boy
Me lovely baby
My pride and joy
Me little puppy

Me little wolf
Me little lamby
My favorite boy
My angel baby

Me little ninja
Me little dancer
Me little street fighter
Me little chancier
Me love me boy
Me love me baby
My pride and joy
Me little puppy
