My love I bring to you  
My heart I sold to you  
Just say I must give it to you  
I want you to know that it's true  
No point- No use  
Think of love and nothing else  
There is too much coition  
A lone nation, a nation  
Just say I must deliver this message  
Accept it and always be blessed.

People you must come to realize  
Without love there is no communication

My love I bring to you  
My heart I sold too.  
Just say I must give it to you  
I want you to know that it's true

My love I'd break to you  
My heart is so deep

(crying croon)

No point- No use  
Think of love and nothing else

My love I bring to you  
My heart I sold too.

My love I bring to you  
My love I bring to you

My heart I sold too  
My heart I sold too

My love I bring to you
