(Veronica Guerin Soundtrack)

My love more dear than this life you are to me
Your kiss more clear than the crystal of the sea
Please save me i'm fallen here
I'm lost and alone

An angel weeps
I hear him cry
A lonely prayer
A voice so high

Dry all your tears
Come what may
And in the end the sun will rise
On one more day
Hey

(gaelic part)

Dry all your tears
Come what may
And in the end the sun will rise
On one more day
Hey

The sun will rise on one more day
