"Secret Love"

Once I had a secret love
That lived within
The heart of me
All too soon
My secret love
Became impatient
To be free
So I told a friendly star
The way that dreamers
Often do
Just how wonderful
You are
And why I'm so
In love with you

Now I shout it
From the highest hill
Even told
The golden daffodils
At last my heart's
An open door
And my secret love's
No secret anymore

Now I shout it
From the highest hill
I Even told
The golden daffodils
And lost my heart's
An open door
And my secret love's
No secret
My secret love's
No secret
My secret love's
No secret anymore
