a song Sinead did together with  
Jah Wobble on his album  
"Rising Above Bedlam"

-----  
I never ever thought I'd say  
these words that I say to you  
a rapsody in blue  
You'll want sense your caress  
leaves me heavenly  
such a renaty

Clean your mind  
Clean your day  
Clean your soul  
a good nation to see  
the hungry spirit

lying back in extasy  
dreams are made of this  
a pure bliss  
You gave me extasy ultimate reality  
sweet devinity  
fent my name a decent sensuality extasy

fear the way of your progress  
but everytime that there is only one anti-dose  
and love coquerst fear in the arena of life  
I never ever thought I'd say  
these words that I say to you  
a rapsody in blue

Love come close fear

found my mendacity  
sensuality  
extasy  
masclinaty fears caverlaty  
morality

.....

I never ever thought I'd say  
these words that I say to you

a rhapsody in blue

Behold  
Reality
