I love you, my hard Englishman  
Your rage is like a fist in my womb  
Can't you forgive what you think I've done  
And love me? I'm your woman

And I desire you my hard Englishman  
And there is no more natural thing  
So, why should I not get loving?  
Don't be cold Englishman

How come you never said you love me  
In all the time you've known me?  
How come you never say you're sorry?  
I do

Oh please, talk to me Englishman  
What good will shutting me out get done?  
Meanwhile crazies are killing our sons  
Oh listen, Englishman

I've honored you, hard Englishman  
Now, I am calling your heart to my own  
Oh, let glorious love be done  
Be truthful Englishman

How come you never said you love me  
In all the time you've known me?  
How come you never say you're sorry?  
I do, I do
