Taking over... once at last in Revelation time  
Natty dread...  
Taking over... oooh Jah... yeeh  
Once upon a time

We couldn't get a blight... Natty Dread  
Everyone had got something in hand except Natty  
Dread  
Natty Dread... take it or leave it  
Taking over... technically  
Natty Dread... never get weary  
Taking over... yu take it oh  
For a little while dread  
Taking over... yeah

Taking over... for victory at last  
Natty Dread... rise your rights and Black people say all

Taking over... yeh oh Jah... fade
