Everytime that I
EVERYTIME I FIND A GIRL THAT I THINK I LIKE
Everytime that I
IT ALWAYS TURNS OUT THAT it's JUST NOT RIGHT
Everytime that I
EVERYTIME I FIND A GIRL I THINK THAT I LIKE
Everytime that I
IT ALWAYS TURNS OUT THAT it's JUST NOT RIGHT

Ladies and gentlemen boys and girls
I need to tell you something so listen up close
Hearts in two and I'm missing a piece
I broke it before but not like this
So I made this song to try and release
Feelings that I had for the one that I miss
But she got my mind chained to the way she kiss
And I got 1 wish I wanna go back to a time
When everything was all good and bliss
No side stories plots or twists
About how she wants some time alone
Wanna figure things out on her own
So I head to the club to get my freak on
I bought the bar lets get our drink on
Nice lookin girls so we get our creep on
But somehow it always turns out wrong

Everytime that I
EVERYTIME I TURN ON THE RADIO
Everytime that I
There's ALWAYS AN MC WITH A WEAK FLOW
Everytime that I
EVERYTIME I TURN ON THE RADIO
Everytime that I
There's ALWAYS AN MC WITH A WEAK FLOW

And this verse is dedicated to the haters
Because I understand why you hate us
Dude it's all good I'm from the hood
I got nothing but love just like we should
So when you see my people don't be talking shit
Coz u got a couple songs you think is hits

I aint no skepta, aint no rascal
Aint no chipmunk, tinchy or biszle
Boy better know I got the hardest flow
Who the fuck is giggs get him on the phone
Baby thugs on the streets tryna start beef with us
I'm not vegetarian so I take em to the butchers
Promoters sellin out shows only cause they booked us
Fuck you pay me or getcha ass bust up
Pay respect to the chef for the cuban linx
I'm from a different nation a whole new generation

Everytime that I
EVERYTIME I'm IN THE MOOD TO HIT THE PARTY
Everytime that I
I JUST WANNA DANCE DO THE GO-GO DANCE
Everytime that I
EVERYTIME I'm IN THE VIBE TO HIT THE CLUB
Everytime that I
I JUST WANNA DANCE DO THE GO-GO DANCE

Go-go wine GO-GO WINE
Go-go shake GO-GO SHAKE
Do the go-go dance DO THE GO-GO DANCE
Do the go-go dance DO THE GO-GO DANCE
Go-go wine GO-GO WINE
Go-go shake GO-GO SHAKE
Make sure your go-go do not break MAKE SURE YOUR
GO-GO DO NOT BREAK
