VERSE ONE

As The Sun Rises Killing Off The Morning Dew
It Got Me Thinking Here's Another Day I Got To Go
Through
I Tell Myself To Keep It Real And Do What I Got To Do
The Future's Not So Bright But It Can't Be True
I'm Gunna Make It, At Least I Reckon I'm Supposed To
Else It wouldn't Make Sense All Them Years I Went To
School
I Wanna Curse My Parents, For My Empty Stomach
But They Gave Me Life The Closest Thing You Have To
God
And While They Got Us Thinkin Racism Is All Over
It's Hard To Find Work! Aint Sayin It Coz I'm Black
Sayin It Coz It Hurts When You're Smarter Than A
Banker
And Noone Understands You So You Turn To Quick
Paper!
I Take A Second To Stop, Look Around And Listen
And All Of This Got Me Thinkin We Can Make A
Difference
It's Not My Words Makin Sense, that's Your Voice Of
Reason
Think About The Scared Kids Whoose Dad's Is Not
There
And Mom's Strippin At The Bar, Does She Really Care?
Apparently Them Starvin Kids Owe Shit Loads Of Dough
And No'ones Got A Clue Where It All Came From
The Pain Made It Hit Home So I'm Pening This Song
Behind This Mic Lies A Man Who Used To Think
The Answer Is Bottled In A Beer Can But I Grown Since
Enlightened I am So Now All I Hold It Down For Is The
Hoods, My Friends And Fam

CHORUS

Stop Look And Listen To Your Heart Hear What it's
Saying
Stop Look And Listen To Your Heart Hear What it's
Saying
Stop Look And Listen To Your Heart Hear What it's
Saying
Stop Look And Listen To Your Heart Hear What it's
Saying

VERSE TWO

The Fat Lady Sang A Song, A Song So Beautiful
It Inspired Hope And Faith Among The Youthful
But I'm Dissapointed By The State Of The Rap Game
It's Hard To Say what's On My Chest Because I'm
Ashamed
Doing It For The Feinds Whether They Be White Or
Black
Confessions Of A Rap-A-Holic Whose Music Is Crack
So All I Need Now Is One Hit To Get It Started
Make That Million Get The Community Sorted
Pop A Bottle Open, Pour A Little Liquor
For The Homies Lost N The Ones Not Here
And If We Get Famous, it's Nothing But A Bonus
My Boys In The Hood, They Got A Funky Chorus
But How Do You Follow A Leader Who Leads From
Behind
Mind You I'm One Of A Kind A Rare Find
I Guess that's Just The Way God Had Me Designed
Meditated On Them Bars Til The Chocolate Started
Tasting Nice
Put It Down Twice And They Said It Was So So
How Are You Going To Judge My Flow
Next To Pac Biggie And All
Will It Make Sense If I Admited I Was Mental
A Little Crazy On The Side But I'm Addicted To It
Imagine How you'd Master The Art Of Street Cipher
Throw In Some Jailbars And Fights With Some Haters
Responsible Rappers Put Pen To Paper

CHORUS

Stop Look And Listen To Your Heart Hear What it's
Saying
Stop Look And Listen To Your Heart Hear What it's
Saying
Stop Look And Listen To Your Heart Hear What it's
Saying
Stop Look And Listen To Your Heart Hear What it's
Saying

VERSE THREE

Before I Sign Out I Gotta Make A Shout Out
To All Of Ya'll Peeps Who Just Stopped Right Now
Who Took A Moment To Look And Listen Real Close
Those Who Prayed And Forgave Their Foes
Hustled Real Hard To Give Their Children Better Lives
Mad Their Vows And Was Faithful To Their Wives
The Micheal Jacksons, The Tupac Shakurs
All The Ones Gone Away Carried By A Hearse
A Moment Of Silence To Bless This Verse

If I Build My Community Then Whose Funding The
Projects
Because 9 To 5 Taxes, There Was Never Cake On It
Repeat After Me
Stop [Stop]
Look [Look]
Listen [Listen]
Stop [Stop]
Look [Look]
Listen [Listen]
Listen [Listen]
Listen [Listen]
Listen [Listen]
Listen [Listen]
Listen [Listen]

CHORUS

Stop Look And Listen To Your Heart Hear What it's
Saying
Stop Look And Listen To Your Heart Hear What it's

Stop Look And Listen To Your Heart Hear What it's
Saying
Stop Look And Listen To Your Heart Hear What it's
