I have come to claim my throne again
I shall cast a spell and watch them
Seek revenge on you Sir Fortesque
Rise
Though my army is beyond the grave

I call upon them to return

Break from your graves unholy ones!
My name is Zarok the sorcerer
Lead my militia to overthrow this realm
I just want to take back what's mine

You have intruded on sacred ground
Unaware of the magic it beholds
I have been TO HELL AND now I'm
I will show no mercy, so beware!
BACK
May the demonds fallbefore you now

Like the wheat before the sharpened
You may have won the battle now
But I shall surely win the war!
Scythe

I just want to take back what's mine
My name is Zarok the sorcerer
Lead my militia to overthrow this realm
You have intruded on sacred ground

Unaware of the magic it beholds
You have been defeated, cast aside
This is my domain so don't return
I have achieved immortality
Thanks to you beloved Gallowmere

Now on to take over the world

I just want to take back what's mine
This time my mission will succeed!
My name is Zarok the sorcerer
Lead my militia to overthrow this realm

You have intruded on sacred ground

Unaware of the magic it beholds

My name is Zarok the sorcerer

I just want to take back what's mine

Lead my militia to overthrow this realm

You have intruded on sacred ground

Unaware of the magic it beholds
