Chaos is my wake up call
Another day of suffering
Waste time staring at the wall
Nowhere to go, no one to see

So many voices are stalking my mind
I can't sleep because they're screaming at me
Even though there is nobody here
I can feel eyes that are staring at me

I'm afraid to go outside
I don't want to face reality
I'm so paranoid inside

It seems like I'll forever be
If I'm dreaming, someone wake me
I'm terrified, dead inside
They've haunted me secretly, all my life
Madness leads my every movement
When I'm alone, uncontrolled
It's killing me, can't you see? I'm insane
I don't want to live to see the night
Hate myself my everyday
I'm doing to end it with a knife

So many voices are stalking my mind
If my thoughts don't kill me first
I can feel eyes that are staring at me
I can't sleep because they're screaming at me
Even though there is nobody here
I'm terrified, dead inside

They've haunted me secretly, all my life
If I'm dreaming, someone wake me
When I'm alone, uncontrolled
It's killing me, can't you see? I'm insane
Madness leads my every movement
