["Drakkar Anni":]

Stalkers, hunters, miscreants  
We are servants of the night  
Creatures of a black domain  
Sleepless, sunless revenants

I will defy the seperation

["Alan Morton":]

Fuse them together, unite them as one  
Of darkness and light, this I swear  
Power is mine!

["Aline Cedrac":]

Playing with fire, you're end up burning  
Consequence for your mistake  
We fear the day for the sun

["Drakkar Anni":]

We roam the earth, take the flesh  
Await the dusk, sacrifice  
Dwelling among satan's lair

["Aline Cedrac":]

When darkness falls  
They appear to blind eyes  
When the shadows wake, silence breaks  
We stand helpless

Death! I have brought death to light

["Alan Morton":]

Hell! Welcome to hell my dear  
Fall! Your fallen fall from grace

["Aline Cedrac":]

Look what you've done

["Alan Morton":]

Come! Join me in damnation

No! I will not follow you!

["Aline Cedrac":]

["Alan Morton":]

Night will overwhelm us

Alone in the dark!

["Drakkar Anni":]

["Drakkar Anni":]

We are servants of the night  
Stalkers, hunters, miscreants  
Sleepless, sunless revenants  
Creatures of a black domain

["Alan Morton":]

I hold the key to all that is evil  
Crossing the gates into hell  
You shall obey!  
I'm the creator, I'm the enforcer

["Aline Cedrac":]

They appear to blind eyes  
When darkness falls  
When the shadows wake, silence breaks  
We stand helpless
