You've come to me with your tears
I won't forget the years I lost
But I just walk away in anger
You took away my youth

I know you're weak
You seek forgiveness from me
I close my eyes and pretend you're not here
I've moved on. I'm not afraid of you
I will refuse you and laugh as you cry

I'm here to tell you - you'll never own me
You've violated but now I'm stronger

I take my life back and watch as you fall
Your time will come, so be wanted
I will be back for retribution
Your screams will help me fall asleep at night
And live through the day
I'm here to tell you - you'll never own me

I take my life back and watch as you fall
I will refuse you and laugh as you cry
You've violated but now I'm stronger

Your presence here cannot destroy me
I've say goodbye to the pain
You can try, but I will stand up

I will refuse you and laugh as you cry
When you knock me down
I'm here to tell you - you'll never own me
I take my life back...
You've violated but now I'm stronger

I will refuse you and laugh as you cry
You've violated but now I'm stronger
I'm here to tell you - you'll never own me
I take my life back and watch as you fall
