Alright let me tell you something, no man in the world

Too blind to see,
too blind to see what you were doing (2x)

I tried your drugs tonight,
all the way you feel but thats not real,
I tried your drugs tonight,
but you did me wrong so move along

Too blind to see,
too blind to see what you were doing (2x)

Don't waste with me cause I wont be there, not this time
boy can't you see that lam leaving, you behind

I tried your drugs tonight,
all the way you feel but thats not real,
I tried your drugs tonight,
but you did me wrong so move along

Too blind to see,
too blind to see what you were doing (2x)

The only one, I was your baby, thats what I thought
but you had your fun, you tried to play me, and now
your cold

I tried your drugs tonight,
all the way you feel but thats not real,
I tried your drugs tonight,
but you did me wrong so move along

Too blind to see,
too blind to see what you were doing (6x)

I tried your drugs tonight,
all the way you feel but thats not real,
I tried your drugs tonight,
but you did me wrong so move along
