Sitting, staring  
At my cigarette ash  
Hmm...

Waiting hours  
Smoke climbs to the stars  
Thinking 'bout life

Thinking 'bout life  
When am I gonna see  
How is it  
Going to be after I fly away, fly away...  
Hmm...

Sitting, staring  
At a cup of tea  
Wandering, sweet time  
My life is like the sea

Sitting, staring  
At my cigarette ash

Waiting hours  
Smoke climbs to stars

Thinking 'bout life  
When am I gonna see  
How is it  
Going to be after I fly away  
Hmm...

Sitting, staring  
At a cup of tea  
Wandering, sweet times  
Life is like the sea  
Life is like the sea  
Life is like the sea

Tic toc tic toc  
Tic toc, tic toc  
What's goin' on

Tic toc tic toc  
Should I hope for more  
Tic toc, tic toc

Sitting, staring  
At my cigarette ash  
Hmm...

Waiting hours  
Smoke climbs to the stars  
Hmm...

Thinking 'bout life  
When am I gonna see (Parapa...)  
Or is it going to be  
After I fly away  
Parapa...

Tic tac tic tac  
Flirting with time  
Flirting with time

Waiting hours  
Smoke climbs to the stars

Parapa...
