I remember how we used to laugh  
Stare at each other in the middle of class  
Every day was the best and every day was a mess  
And the world couldn't slow us down  
Our only job was to live and to love and to learn and to  
sing and to dance  
The days where common sense didn't stand a chance

If I could go back in time just hit rewind and press play  
in 1999  
Boy I'd live it again and again, this time I'd live it right  
If I could go back in time just hit rewind and press stop  
stop stop before  
I made you cry  
When the smoke cleared from the fight, those were the  
best days of our  
Lives

We didn't have bills to pay  
We took our money and we threw it away  
And every time that we kissed I was afraid I would miss  
But you loved me anyway  
You made me wanna scream and shout and laugh and  
hope and cry  
I was addicted to the twinkle in your eye

If I could go back in time just hit rewind and press play  
in 1999  
Boy I'd live it again and again, and this time I'd live it  
right  
If I could go back in time just hit rewind and press stop  
stop stop before  
I made you cry  
When the smoke cleared from the fight, those were the  
best days of our  
Lives

If I could go back in time just hit rewind and press play  
in 1999  
Boy I'd live it again and again, and this time I'd live it  
right

If I could go back in time just hit rewind and press stop  
stop stop before  
I made you cry  
When the smoke cleared from the fight, those were the  
best days of our  
Lives
