Monday morning here we go again
Let the five day melodrama games begin
Gossip, boring
Scandal, snoring
Facebook statuses and made up stories
She doesn't care what the backstabbers say
Cuz they're neck deep swimming
In their insecurity
Popularity contests are overrated
And she's not afraid to say it

She'll never be the prom queen
She's got one too many tattoos and a lip ring
She won't swim the mainstream
And it doesn't even matter
Everybody likes her better that way
She doesn't care what Brad Pitt is up to
She'd rather lose herself in her bright pink guitar
And so far
She's a full time cutie and a part time rockstar

Same old story take a look around
Mr. Rooney's got his hands
On the school board now
Cameron, faded, Bueller, made it
Biff's still living in his mom and dad's
basement
Try not to laugh at the end of the day
It's an Oscar nominated action comedy
When they meet up in ten years
And swear they're happy
She'll be showing off her Grammy

She'll never be the prom queen
She's got one too many tattoos and a lip ring
She won't swim the mainstream
And it doesn't even matter
Everybody likes her better that way
She doesn't care what Brad Pitt is up to
She'd rather lose herself in her bright pink guitar
And so far

Sheâ€™s a full time cutie and a part time rockstar

Sheâ€™ll never be the prom queen
Sheâ€™s got one too many tattoos and a lip ring
She wonâ€™t swim the mainstream
And it doesnâ€™t even matter
Everybody likes her better that way
She doesnâ€™t care what Brad Pitt is up to
Sheâ€™d rather lose herself in her bright pink guitar
And so far
Sheâ€™s a full time cutie and a part time rockstar
