[Feat. Drunken Tiger, Tasha & Roscoe Umali]

Keep on climbin' to the top, hold me back, no, I won't stop

[Verse 1: Tasha]

I've been around the world, and I've seen a lot of places
It changed a whole lot but still remain gracious
I had no choice, I was raised around greatness
That's why we had to tell what's real and what fake is
To stay away from hatred and keep it one hundred
Sometimes the company we keep is what we keeping us rubbin'
Stay focused what a vibe burnin' deep in my stomach
To keep believin' in the movement and the people that run it
Believe me, I've done it, I've been to the top of the summit
And took a look at what's poppin', did the opposite of it
That's why my name come up in every "Who's the hottest? " discussion
Cause everything I spit is fire like it's popped in the oven

[Chorus:]

Keep on climbin' to the top, can't hold me back, no I won't stop
It's my world, I'm gon shine, take what's mine cause it's my time
Keep on climbin' to the top, can't hold me back, no I won't stop
The world is mine, I'm gon shine, take what's mine cause it's my time

[Verse 2: Tiger JK]

Sunzoo Horangyi, that's what they be callin' me
You need to understand
When I'm spittin to you is better than number 1, 2, 3, 5 and 6
How many MCs must get this

Finally, Umali, Drunken Tiger and baby t-t-take it
All you need to understand is my name, Tiger JK

[Chorus:]

Keep on climbin' to the top, can't hold me back, no I
won't stop
It's my world, I'm gon shine, take what's mine cause it's
my time
Keep on climbin' to the top, can't hold me back, no I
won't stop
The world is mine, I'm gon shine, take what's mine
cause it's my time

[Verse 3: Roscoe Umali]

Eh yo, it's my time, primetime, military my time
Focus on my goals and inspire my own guidelines
They can never understand the obstacles that I climb
They too busy in the cut, hating from the sidelines
Waitin' for the right time, prayin for my flatline
Wish when I retire and quit, they getting real tired
Everybody sayin' Drunken Tiger is my shit
Admire Umali, acknowledging that Tasha's legit
We had it locked since The Great Rebirth
Am I successin', the U.S has only made them hate me
worse
But they trippin' if they think it can make me stop
I'll pass them up on my way to the top
On my way to the top

[Bridge:]

Hey, hey, hey, hey, hey
Gonna be on top, nunbit suseo eolaga
Hey, hey, hey, hey, hey
Gonna be on top, nunbit suseo eolaga
Hey, hey, hey, hey, hey
Gonna be on top, nunbit suseo eolaga

[Chorus: x2]

Keep on climbin' to the top, can't hold me back, no I
won't stop
It's my world, I'm gon shine, take what's mine cause it's
my time
Keep on climbin' to the top, can't hold me back, no I
won't stop
The world is mine, I'm gon shine, take what's mine
cause it's my time
