"My Heart"

Say, can you give me room
In my head
Say, can you forgive me soon
Before breaking down
I've been going slow, so slow and now
I need, I need you

Say, can you hold me close
Without composure
'Til the end ends, through my hands

Can you see how desperate I am
Can you feel the sound

Of my heart, shattering
When my love is telling me
You can't give anymore
This will lose it's hold
And I am jumping out
This bridge is burning down
I don't know how to swim
In my prideful lake I sink

Don't let go
Don't let go of me
Don't let go
Don't let go of me
