"Five Stars Arising"

There's a new moon arising, out of the stormy sea
Youthful and bright and bearing hope, and tranquil as
can be
Reach out for the moon above, savour freedom, truth
and love
There's a new moon arising, out of the stormy sea

There are five stars arising, out of the stormy sea
Each is a lamp to guide our way; a lamp for all to see
Reach out for the stars above, savour freedom, truth
and love
There are five stars arising, out of the stormy sea

There's a new flag arising, out of the stormy sea
Crimson as the blood of all mankind, yet white and
pure and free
Reach out for the flag above, savour freedom, truth
and love
There's a new flag arising, happy and proud are we
