So we take a step into the light
And I find the urge to fight for you
Cause I know, your colors seem to show
And I think that I could make them glow

As I sit with this pen, I will try to pretend
Write about how I'm keeping my cool
Cause I'm the one for you

I don't wanna wait forever
I know one day we will
Be together
I'm the only one that you'll ever need

Every week, I drink my self to sleep
To have drunken dreams of you
And it's true, I never left a clue
That I'm so in love with you

And it sounds unprepared cause I'm a little bit scared
But I think that I'm ready to prove
That I'm the one for you

I don't wanna wait forever
I know one day we will
Be together
I'm the only one that you'll ever need

Whoa oh whoa oh
Whoa oh whoa oh
I'm the only one that you'll ever need
Whoa oh whoa oh
Whoa oh whoa oh
I'm the only one that you'll ever need
Whoa oh whoa oh
Whoa oh whoa oh
I'm the only one that you'll ever need
Whoa oh whoa oh
Whoa oh whoa oh
I'm the only one that you'll ever need

It's safe to say that you need me in the end

So don't tell me you want to be my friend
I've been dying to tell you
I just want to tell you
I'm the one for you

I don't wanna wait forever
I know one day we will
Be together
I'm the only one that you'll ever need
Whoa oh whoa oh
Whoa oh whoa oh
I'm the only one that you'll ever need
Whoa oh whoa oh
Whoa oh whoa oh
I'm the only one that you'll ever need
