Sunny, yesterday my life was filled with rain
Sunny, you smiled at me and really eased the pain
The dark days are gone, and the bright days are here
My sunny one shines so sincere
Sunny, one so true I love you

Sunny, thank you for the sunshine bouquet
Sunny, thank you for the love you brought my way
You gave to me your all and all, now I feel ten feet tall
Sunny, one so true I love you

Sunny, thank you for the smile upon your face
Sunny, thank you for the gleam that shows it's grace
You're my spark of nature's fire, you're my sweet
complete desire
Sunny, one so true I love you

Sunny

Sunny, yesterday my life was filled with rain
Sunny, you smiled at me and really eased the pain
The dark days are gone, and the bright days are here
My sunny one shines so sincere
Sunny, one so true I love you

So true, yeah, I love you
Cause I love you, yeah
