Pandemonium
Sunny Ledford
(The White Disc)

CHORUS

Bad habits become the worst habits
Take it in you cant stand it
Get away don't hang around here
Pandemonium you gonna have it

So what you know bout this
You don't know what this is
It's not a good time for you
Don't get up in this mix
Some Fucker just talked this shit
That Fuckers about to get hit
Slam bam to the hard concrete
Pandemonium is what I see

CHORUS

Bad habits become the worst habits
Take it in you cant stand it
Get away don't hang around here
Pandemonium you gonna have it

Lookin like those rocket queens
Up in my freaky dreams
You bitches is scaring me
Dont need your HIV
Been there seen this before
Don't need this anymore
Your just a skanky whore
Don't hang around my back door

CHORUS

Bad habits become the worst habits
Take it in you cant stand it
Get away don't hang around here
Pandemonium you gonna have it

Look at us full wit extacy

There all up in my brain
O god damn im a fool
You don't know what I do
They teaches what they see
Its like that movie screen
What kills you cant kill me
Pandemonium is what i see

CHORUS

Bad habits become the worst habits
Take it in you cant stand it
Get away don't hang around here
Pandemonium you gonna have it
