I Know what your thinking,
It's not easy being you, It's not easy being you.

chorus:

So why don't you cry about it,
Why don't you write a sad, sad song about it
Dry your eyes and you might live to talk about it.

We all know that it's in your head
We all know that your playing dead.

chorus:

So why don't you cry about it,
Why don't you write a sad, sad song about it
Dry your eyes and you might live to talk about it.

You can Bitch about it, Complain about it,
or get off your ass and do something about it.
You can Bitch about it, Complain about it,
or get off your ass and do something about it.
You can Bitch about it, Complain about it,
or get off your ass and do something about it.
You can Bitch about it, Complain about it,
or get off your ass and do something about it.

Look at me, I'm Crying
Look at me, I'm Dying

chorus:

So why don't you cry about it,
Why don't you write a sad, sad song about it
Dry your eyes and you might live to talk about it.
