Thinking of something blue...  
Much like the rain that washed away my final memory  
of you  
And we are gathered here today in celebration of  
impending fate  
Let the jury have their way  
As callused knuckles cross my face

The stars are out  
Scattered dimples in a cloudless sky  
And I remember all the flashing lights  
and how they lit your lifeless eyes

Now the harbors sounding out  
And I am calling out but please don't push me in  
But please don't push me in

Dear friends,  
I am writing this in my defense  
I never meant for this to happen  
Never saw the broken glass I swear  
Dear friends  
I am writing this in my defense  
I never meant for this to happen

Zip ties and fiber choking me  
These ropes biting at my feet  
Eyes wandering  
And I'm wondering: is this really happening to me?  
Blood between my teeth  
Flows from my mouth to my best jeans  
Unfree release  
I'm twenty feet and sinking fast

And I won't hold my breath  
Let the water fill my lungs  
And I will travel to my death  
Tell my brothers that I am happy  
Tell my mother I won't be visiting  
As I lay my head to rest  
At the bottom of the sea

Dear friends  
I am writing this in my defense  
I never meant for this to happen  
Never saw the broken glass I swear  
[x2]
