Back to square one
When love was on my side
For us to find
When your heart skipped a beat from a slight touch
When love, it was broken and replaced by lust

Baby I'm a sucker for a happy ending
Killing myself to bring you back to me
Maybe there's a better time to stop pretending
It's all a lie, but it sure feels right to sing
Whoa oh, oh, oh, oh
We never saw it coming
Whoa oh, oh, oh, oh
All the nights and the fights that we lost
It's not over till they said "I had enough"

Back to day one
When all that mattered most
Was keeping close
But when my heart finally settles on that last beat
I'll make you regret the things you said to me
Remember night with all my might
She starts to scream "what's happened to me?"

Baby I'm a sucker for a happy ending
Killing myself to bring you back to me
Maybe there's a better time to stop pretending
It's all a lie, but it sure feels right to sing
Whoa oh, oh, oh, oh
We never saw it coming
Whoa oh, oh, oh, oh
All the nights and the fights that we lost
It's not over till they said "I had enough"

I heard a whisper
I caught a scream
From down the hall it came to me
I felt the warm inside my bed
From someone else
I can't pretend

Baby I'm a sucker for a happy ending
Killing myself to bring you back to me
Maybe there's a better time to stop pretending
It's all a lie, but it sure feels right to sing
Whoa oh, oh, oh, oh
We never saw it coming
Whoa oh, oh, oh, oh
All the nights and the fights that we lost
It's not over till they said "I had enough"
