You can get it if you really want,
You can get it if you really want, yeah,
You can get it if you really want,
But you must try, try and try, try and try,
You succeed at last, ooh-ooh-ooh

Persecution you must build,
We no lose, you gonna get your share
You got your mind set on a dream
You can get it as own it a piece

You can get it if you really want,
You can get it if you really want, yeah,
You can get it if you really want,
But you must try, try and try, try and try,
You succeed at last, ooh-ooh-ooh

Listen to me, now,

Rome was not built in a day.
Opposition will come your way,
'Cause the otter of the bottom sea
Is so sweeter than victory, now.

You can get it if you really want,
You can get it if you really want, yeah,
You can get it if you really want,
But you must try, try and try, try and try,
You succeed at last,

You can get it if you really want,
You can get it if you really want, yeah,
You can get it if you really want,
But you must try, try and try, try and try,
You succeed at last, don't you know, baby.
Oh, for sure, now
If you want it,
Then you can get it
All you gotta do is try
