I wanna be Bobby's girl
I wanna be Bobby's girl
That's the most important thing to me-ee
And if I was Bobby's girl
If I was Bobby's girl
What a grateful, thankful girl I'd be

When people ask of me
What would you like to be
Now that your not a kid anymore-ore
(You're not a kid anymore)
I know just what to say
I answer right away
There's just one thing I've been wishin' for-or

I wanna be Bobby's girl
I wanna be Bobby's girl
That's the most important thing to me-ee
And if I was Bobby's girl
If I was Bobby's girl
What a grateful, thankful girl I'd be

Each day I stay at home
Hopin' that he will phone
But I think Bobby has someone e-else
(You're not a kid anymore)
Still in my heart I pray
There soon will come a day
When I will have him all to myse-elf

I wanna be Bobby's girl
I wanna be Bobby's girl
That's the most important thing to me-ee
And if I was Bobby's girl
If I was Bobby's girl
What a grateful, thankful girl I'd be
What a grateful, thankful girl I'd be-ee
